Animal Hospital

5700 Highway 14
Lake Charles, LA 70607
(337) 480-1500

Boarding Agreement

Date: _____ **Pet:** _____ **Owner:** _____

Mandatory Emergency Contact Number/Email: _____

Pets who become ill while boarding will be treated at the discretion of the attending veterinarian at the client's expense. We will attempt to contact you at the emergency contact number/email provided to discuss any illness that may be noted or arise during boarding.

Vaccinations and Parasite Control: To ensure that both your pet and the other boarders are protected, we require that each pet be current on vaccinations and flea and intestinal parasite prevention. We must have proof of current vaccines from a veterinarian. If your pet is not up to date, we will administer the vaccinations required for boarding. Required vaccines include: **Canine: DA2PPV+L4** annually, **Bordetella** every 6 months, **Rabies** annually (as required by Calcasieu Parish Law), and **K9 Influenza** annually. **Cats: RCP and Leukemia** annually, and **Rabies** annually (as required by Calcasieu Parish Law). If your pet has evidence of fleas or intestinal parasites, we will treat with Capstar and Drontal.

Personal Items: When your pet arrives at Bayou South, we ask that you keep any collars and leashes that your pet may be wearing. Please clearly label all other personal belongings such as pet carriers, bedding, toys, etc. **BAYOU SOUTH ANIMAL HOSPITAL IS NOT RESPONSIBLE FOR LOST OR DAMAGED PERSONAL ITEMS LEFT WITH PETS!**

Special Food or Medications: If your pet has special dietary needs, i.e. if your pet is on a prescription dog food, please bring the appropriate amount of food needed while boarding. Or, if you would prefer your pet to continue its regular diet, please bring the appropriate amount of food for the duration of boarding. If personal food is not brought in, your pet will be fed dog food according to his/her size, age, etc. Please indicate here if you have provided food or medications for your pet:

Special Food: _____

Amount and Frequency: _____

Medications: _____

Dosage and Frequency: _____

When was the last dose given: _____

*****For animals that are stressed during boarding:** Zylkene is a supplement and natural remedy which helps to create a feeling of calm and relaxation in dogs and cats. This is not a sedative. It is useful for reducing the anxiety felt during stressful situations. This capsule would be given to your animal once daily while boarding.

Zylkene: Yes / No

Bathing: It is recommended that all dogs receive a bath before going home. The charge for a bath ranges from \$18 - \$24. De-matting, grooming, sanitary shave, anal gland expression, and nail trims are not included in the price.

Bath: Yes / No Date pet is to be bathed: ___/___/___ For bathes same day as pick up, please pick up **AFTER 12:00 pm**

Pick-up Date: ___/___/___

I have read and agree to all the terms listed above.
